Estimated number of households to be served

Will there be a specific population to be served by this project? (EX. Veterans, Youth, etc...)

*If answer to the previous question was "yes", what population will be served?

1. Provide brief description of the proposed program and services to be provided.

2. What data/evidence do you have as to the need within the CoC and how does your project will help the CoC improve our system performance measures?
   Strategies for System Performance Improvement - May 2017 (hudexchange.info)

3. Describe your agency's current or planned contribution to OKC Continuum Housing and Services (housing, case management, health care, home visits, transportation, referrals, etc.). How will your project ensure compliance with Coordinated Entry requirements?

4. Describe how your agency involves homeless persons in the operating of the CoC funded program. Include if your agency has a homeless or formerly homeless person on the Board of Directors or equivalent policy making board.

5. Describe your agency's experience with federal, state, and/or local government grants and capacity of the organization and person(s) responsible for administering the project and overseeing all compliance requirements.

6. Housing First/Low Barrier

	Yes	No
Does the project require a background screening prior to project entry?		
Does the project prohibit persons with certain criminal convictions from entering the project?		
Does the project require participants to be clean and sober prior to project entry or during project stay?		
Does the project require participants to take alcohol/drug tests?		
Does a positive alcohol/drug test result in termination from the project or require participant to participate in substance abuse treatment and/or detox to resume project services?		
Does the project require participants to have a mental health evaluation prior to project entry?		
Does the project require project participants who demonstrate mental health symptoms to participate in mental health services and/or medication compliance as a condition of participation?		
Does the project require participants to have an income at time of project entry?		
Does the project require participants to obtain income as a condition of remaining in the project?		
Does the project require participants to participate in supportive services as a condition of continued services?		
Does the project require participants to be "progressing" in their goals to remain in the project?		
Does the project exclude or refuse project entry based on race, color, religion, national origin, disability, sex, sexual orientation, gender identity and/or gender expression?		
Does the project include any requirements, outside of those typically found in a lease agreement or in "community living" conduct rules?		
Do project participants have to travel to the agency's office(s) to receive the majority of their services, including case management, after they are housed?		
Does the project prohibit any member of a household, based on age, gender, biological relationship and/or marital status, from residing together at the project?		
Enter the Total # of "Yes" and "No" responses		

7. Select all harder to serve homeless or at-risk of homeless populations this project will serve:

Mental Illness

Substance Abuse

Chronic Health Conditions

HIV

Developmental Disabilities

Physical Disabilities

Domestic Violence

Unaccompanied Youth (under age 18)

Unaccompanied TAY (ages 18 – 24)

8. Collaboration

The agency is an active member of the Coalition to End Poverty.	
The agency has consistent representation at CCMSA, Veterans CCM, Family CCM or Youth CCM.	
The agency actively enters data into HMIS for current projects.	

9. Other

Does the project collect consumer/participant satisfaction surveys at least annually?
If yes, please provide a copy of satisfaction survey.

Yes   No

Describe how your organization will ensure that services for the project are delivered equitably to populations overrepresented in the homeless population including Black, Indigenous and other people of color, individuals who identify as LGBT+ and individuals with disabilities.

Describe how your organization has or will involve a broad range of stakeholders to assist in serving individuals and families with severe service needs, including victim service providers, healthcare providers, the business community, political leaders and others.
